3D

**dreamoc™**  
Scandinavia 180 XXL

*Magic Matters*

V.1.00 – 2014

Factsheet

The Dreamoc Scandinavia 180 XXL is a 3 sided holographic display, which lets you combine a physical product with a 3D holographic content. The chamber can be seen from all 3 sides and is designed for open floor placement. The unit is delivered in flight cases and must be assembled at the place of installation.

An example of the Dreamoc Scandinavia 180 XXL in a shopping mall.
